

## PALE CHILDREN NEED GUDÉ'S PEPTO-MANGAN

UNNATURAL FOR CHILDREN TO BE PALE  
AND THIN—PALENESS IS SIGN OF  
THIN, WATERY BLOOD.

PEPTO-MANGAN MAKES RED BLOOD

Prepared in Liquid and Tablet Form—Both  
Possess identical Medicinal Qualities.

It is necessary for boys and girls to laugh, romp, play and enjoy themselves, for it is at that stage of life that the foundation is laid for future health.

Prompt attention should be given to the child who seldom laughs, whose physical condition prevents playing like other children, whose appetite is poor, and who tires easily.

If the lassitude is due to poor blood, which is often the case, a simple, safe, and pleasant remedy is within easy reach. Gudé's Pepto-Mangan is just the tonic for pale, thin children. Gudé's Pepto-Mangan contains the very ingredients that increase and enrich the blood, enabling it to supply the entire body with the sorely needed vigor, strength and vitality that make happy, romping children.

For the convenience of the public Pepto-Mangan is prepared in tablet as well as liquid form. Both forms possess exactly the same medicinal properties.

When you ask the druggist for Pepto-Mangan, look for the name "Gudé's" on the package. If it is not there it is not Pepto-Mangan.—Advertisement.

### Bank Increases Capital Stock Elect New Officers.

At a recent meeting of the stockholders of the Bank of Gainesboro, the stockholders voted to increase the capitol to \$50,000.

Owing to the fact, that this is one of the oldest and strongest banks in the Upper Cumberland, with a reputation for stability and fair dealings unequalled by any bank in the state, there was quite a scramble for this stock. Of course there was not enough stock to go round, but from the list it appears to be very well scattered over the county. A list of the stockholders will be published soon in order that all may know who the lucky ones are.

This bank was established in 1889 and has at all times contributed in every possible way to the upbuilding of the county, and during the late war, very materially assisted the Government in financing it, responding to every call made upon it by the Treasury Department. The bank is now stronger than ever before, and with the added capital will be better prepared than ever to serve the people of this section.

Mr. Charley Brown, who for several years was president of the Bank of Granville comes to the bank as cashier. Mr. W. M. Gailbreath being advanced to the position of active Vice President.

The officers elected are as follows:

J. A. Williams, President.  
W. M. Gailbreath, Vice President.  
B. L. Quarles, Vice President.  
H. L. McDearman, Vice President.  
Chas. S. Brown, Cashier.  
Frank Gailbreath, Asst. Cashier.  
D. B. Johnson, Attorney.

### A FAMILY MEDICINE

In Her Mother's Home, Says This  
Georgia Lady, Regarding Black-  
Draught. Relief From Head-  
ache, Malaria, Chills, Etc.

Ringgold, Ga.— Mrs. Chas. Gaston, of this place, writes: "I am a user of Theodor's Black-Draught; in fact, it was one of our family medicines also in my mother's home, when I was a child. When any of us children complained of headache, usually caused by constipation, she gave us a dose of Black-Draught, which would rectify the trouble. Often in the Spring, we would have malaria and chills, or troubles of this kind, we would take Black-Draught pretty regular until the liver acted well, and we would soon be up and around again. We would not be without it, for it certainly has saved us lots of doctor bills. Just a dose of Black-Draught when not so well saves a lot of days in bed."

Theodor's Black-Draught has been in use for many years in the treatment of stomach, liver and bowel troubles, and the popularity which it now enjoys is proof of its merit. If your liver is not doing its duty, you will suffer from such disagreeable symptoms as headache, biliousness, constipation, indigestion, etc., unless something is done, serious trouble may result. Theodor's Black-Draught has been found a valuable remedy for these troubles. It is purely vegetable, and acts in a prompt and natural way, regulating the liver to its proper functions and cleansing the bowels of impurities. Try it. Insist on Theodor's the original and genuine. 25c
